

WELCOME TO FAIR PAY SERVICES...

**We're here to help you, and hundreds of other contractors,
make the most of your income.**

OUR SERVICE

Being paid through our PAYE Umbrella service is very easy and straightforward. All tax and NI is deducted at source so that you always know where you stand.

Because all income is subject to PAYE, it is future proof and fully compliant with the recent changes to the IR35 legislation.

By becoming an employee of Fair Pay Services, you will have access to your personal Flexr portal that provides full visibility of all timesheets, pay statements and your accrued Holiday Pay balance.

Flexr is a platform that will redefine the landscape for contractors. Flexr combines humanity and technology through a dedicated call centre to assist with any queries that you may have.

Your Flexr portal can be accessed via a web browser and also has a user-friendly Smartphone App which can be downloaded for free from the Android or iOS App Store.

ABOUT FAIR PAY SERVICES

When you join Fair Pay Services, we'll be with you every step of the way, with employment support and benefits that are second to none.

We'll handle your administration for you, calculating your tax and NI contributions and making payments to HMRC. At the same time, you'll be paid swiftly and accurately, and there will always be someone available to talk to if you have any queries or concerns.

Fair Pay Services provide a cost effective solution whilst delivering an exceptional level of service to contractors and agencies alike.

HOW DOES IT WORK?

- ✓ You become an employee of Fair Pay Services, entitling you to full employment rights and benefits. You will have continuity of your employment through a range of separate assignments and possibly even, different agencies.
- ✓ You submit your timesheet or hours to your agency in the normal way.
- ✓ Your agency will then advise us how many hours to invoice for, at the agreed contract rate.
- ✓ We then deduct our margin, the employment costs and Holiday Pay. Your Gross Pay is then subject to deductions for tax and NI.
- ✓ Your Net Pay is processed and your payslip is uploaded to your Flexr portal.
- ✓ If you leave our employment at any point, we will issue your P45 and automatically pay out any Holiday Pay that you have accrued and not claimed.

EXPENSES

You will be able to log any allowable expenses within your personal Flexr portal and claim tax relief on these at the tax year end by completing either;

- ✓ A P87 form if your claim is up to £2,500
- ✓ A Self-Assessment tax return if your claim is larger
